

# "SHAKEN' NOT STIRRED" WINE CLUB

We carefully select all of our wines from small, limited production, family-owned wineries dedicated to the art of making fine, and of course, highly rated wines. We taste through hundreds of wines each month to bring you the absolute best tasting values we can find! Let all of our efforts work for you and have wonderful wines delivered straight to your door. Wine makes a wonderful gift, too. You can enroll a friend or family member in the club. Ask us how. Club members will have the exclusive opportunity to receive new vintages, and extremely limited production wines. Each allocation will contain 2, 3, 4, 6 or 12 bottles of wines from San Andreas West Wines portfolio, 5 times per year. Shipments will be sent March, June, September and December with a bonus "The Next Big One!" shipment in November. Club members will be billed automatically via credit card approximately 2-3 days before shipment. Supplies are extremely limited and memberships will be granted on a first come/first served basis. In the event there are more inquiries than spaces available in the club, we will keep a waiting list.

*There is no fee, you may cancel at any time.*
